

**NDA Middle School iPad Update**

September 14, 2017

Dear Middle School Parents & Students,

We are very excited for another year with our one-to-one iPad program for the Middle School that enhances the curriculum at NDA.

Middle School students have received brand new 128 GB 5<sup>th</sup> generation iPads. Along with their iPads each Middle School student received a brand new ZAGG Rugged Messenger case with keyboard. These cases come with a detachable magnetic keyboard that wirelessly connects to the students iPad with Bluetooth.

**\*\*Throughout the year, if your student's case becomes damaged, vandalized with graffiti, or is otherwise unsuitable for use with the Middle School iPad, then a replacement case will be required to be purchased from the school.\*\***

In addition, the iPads will have a screen protector to keep the screen free of scratches and cracks. If a screen protector is damaged, the student is responsible to purchase a new protector from the school.

We are so grateful that we are able to allocate \$75,000.00 of what was raised last year by Bonsoir to specifically help the Technology costs. However, the upgrades we have made will require additional funding. Parents, would you be so kind to please consider a \$75.00 per student donation towards these purchases to help subsidize the expenses? Please make your check out to Notre Dame Academy and submit to Mrs. Laura Perkins.

One Tech-Savvy Family, Always United,  
Administration
