

Notre Dame Academy Early Childhood Center

Statement of Good Health for Volunteers

I. _____ claim to be in good general health and to my knowledge, have no communicable diseases. I have been to a medical doctor within the last year and will continue annual checkups for the duration of my volunteer work at Notre Dame Academy Early Childhood Center. I will not volunteer when I have the flu, an infectious cold, or other illnesses that may be harmful or contagious to children.

I understand that if I volunteer, I am required to provide proof that I am immunized against influenza annually (may be waived by a written letter) pertussis and measles by Health and Safety Code of the State of California,.
