

Sonar Weekly Update

Dear Notre Dame Academy Parents,

As Holy Week commences, we would like to take this opportunity to express to you our gratitude for your dedication to your faith. It is through the journey of faith that God has brought us to this point. Together, we strive to share that faith with those who cross our paths at Notre Dame Academy, whether that be our co-workers, parents, students and even strangers. We recognize the Way of the Cross is also the Way of our lives. Through your actions of sacrifice and devotion, you continue to offer yourselves with a selfless commitment to serving Christ Jesus.

Holy Week illuminates the Way of the Cross; we will pass through the darkness of Christ's sufferings and through His ultimate sacrifice be able to celebrate His Resurrection. May you be renewed with this path, the path that promises us that we may join one day in the resurrection.

Our wish is that the Easter celebration, the greatest of all of our feasts as Christians, brings you hope and light. May you enjoy a relaxing and peaceful Easter break with your family and those whom you love. We look forward to sharing again with you the great words of our faith, "Alleluia! He is risen, indeed!" and to continue the blessings you bring to your vocation here at our school, "One Family, Always United."

Under the protection of our Blessed Mother,

The Sisters de l' Union Chrétienne de St. Chaumond

To Serve With Love

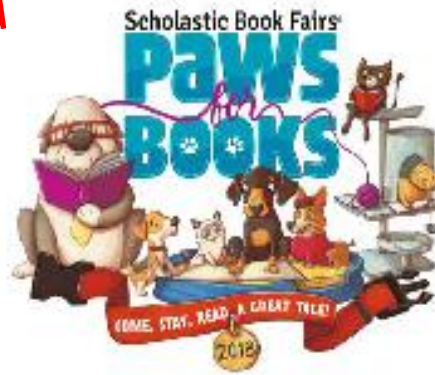

Jesus gave his whole life to serve for the sake of love. Every time we serve others for the sake of love, we offer ourselves and follow Christ.

May the grace of His example move us to action.

Presenting... the multi-talented students of NDA!

Last Friday, NDA students were highlighted at the California Council for Social Studies Conference, *Tearing Down Walls: Building Connections, Collaboration and Civil Discourse*. The focus was on featuring research-based strategies and networking to improve learning across curricular areas.

Not only was our students' artwork on display, but two of our after-school dance groups performed during the opening day of the conference. The two groups that performed were our Classic Ballerinas and our Ballet Folklórico Group.

The California Council Representative and Curriculum Specialist of SocialStudies.com, Alisa Stevenson, communicated the following accolades, "the groups were AMAZING! I cannot tell you enough what an impact they had on our conference, they were a hit. Thank you!"

NDA teacher leader, Mrs. Talina Lindsey, attended the conference representing NDA to network and learn from other educators equally excited and engaged in student-driven, 21st Century learning.
