

Sonar Weekly Update

A Message from the Sisters:

"Always United with the Blessed Mother in Christ"

Dear Parents,

On Friday, June 1st, Révérende Mère Supérieure, our Mother Superior, will arrive in San Diego for a week long visit. We are so looking forward to sharing our wonderful NDA community with her.

On Monday, June 4th, she will attend the Volunteer Appreciation Breakfast and would love to meet you! Please plan on stopping by to introduce yourself, and feel comfortable addressing her as Ma Mère. Remember to RSVP(clinxwiler@ndasd.org) so we have enough Le Petit Déjeuner and coffee for all!

It is hard to believe the end of the school year is so near! A couple of end of year reminders:

- Review the 2018 Summer Assignment and Camp information (link on email). We have several teachers who are offering wonderful learning opportunities for your children over the summer months. Please contact the teachers directly for additional information as well as to register.
- Student school supplies are listed on the website under "Important Documents".
- Student supplies can be ordered from the website, www.schooltoolbox.com.

Yours in union with Christ and His Blessed Mother,

The Sisters de l'Union-Chrétienne de St. Chaumont

www.ndasd.org

Come, Holy Spirit, fill the hearts
of your faithful.
And kindle in them the fire of
your love.
Send forth your Spirit and they
shall be created.
And you will renew the face of
the earth.

Lord,
by the light of the Holy Spirit
you have taught the hearts of
your faithful.
In the same Spirit
help us to relish what is right
and always rejoice in your
consolation.
We ask this through
Christ our Lord.
Amen.

2018 – 2019

It is with great pleasure that we announce the hiring of a new 7th and 8th grade Science Teacher, Mrs. Diane De-Loux. Mrs. De-Loux is relocating to San Diego from Colorado and is eager to join the Notre Dame Academy family next year.

Mrs. De-Loux, most recently a high school science department chair and teacher at Palmer Ridge High School in Monument Colorado, has 30 year of experience in both the high school and middle school settings. She is an accomplished educator who cares deeply about student success, scientific application in the classroom, and critical thinking. As a creative lesson planner, she excels at motivating and inspiring students. Mrs. De-Loux is a skilled contributor to curriculum design and recently used her expertise to integrate Next Generation Science Standards into science units to create an online biology class from her district. She is an engaging leader and will be an asset to the students and wonderful addition to the NDA Staff.

As a product of Catholic Education, Mrs. De-Loux is excited to share her love of science in a Catholic environment where God's presence can be adored, glorified and woven into science lessons.

We also welcome Mrs. De-Loux's daughter, Clare, to the NDA family as she will be joining our 7th grade class next year.

We are delighted to welcome the DeLoux Family to The Academy!

Parent Volunteer Appreciation Breakfast

Ma Mer (Mother Superior), the NDA Administration, Staff & Students would like to thank you for your support this year!

Join us for *Le Petit Déjeuner* (a “*little bit*” of breakfast) and a whole LOT of appreciation!

Monday, June 4th, 2018

8:15am-9:00am

Dempsey Social Hall

RSVP: clinxwiler@ndasd.org

Dear Notre Dame Academy Parents,

We have had a few parents who are concerned about generating scrip revenue and I wanted to take this opportunity to explain a little more about the program. Scrip is a program that generates funds without you having to put out any extra money. If you grocery shop and spend \$200, you will use the same exact amount paying for it with scrip. The scrip program is fundraising without selling anything, and making money while we shop for the items we would normally buy. You don't need to buy anything extra! This is free money for the school just buying what we usually buy for our families.

This is our first year and I know that \$500 sounds like a lot of money to generate, and it is. We may have set the bar high, but we only ask that you try to generate what you can. Just give it a go and try your best! We are starting a new program that has the potential to raise lots of money for NDA which will enable NDA to have another source of income besides selling candy, wrapping paper or raising tuition. After this first year, we will make the necessary adjustments for the following year depending on how the families do. Some will obviously do better than others, but please just do your best.

I put together a few examples below, so you could see how the money accumulates.
(If you spend per month, times the percentage, times 12 months for a yearly total)

Groceries: $\$400 \times 4\% = \$16 \times 12 = \$192.00$
Gas: $\$100 \times 1.5\% = \$1.50 \times 12 = \$18.00$
Restaurants: $\$100 \times 10\% = \$10.00 \times 12 = \$120$

Miscellaneous purchases per month:

Target, Macy's, Home Depot, Movies, Fast Food:

$\$200 \times 6\% = \$12.00 \times 12 = \$144.00$

During the Year:

Birthday presents, Christmas, Easter, Halloween, Misc. gifts:

$\$600.00 \times 5\% = \30

I used conservative percentages. You can pick cards or restaurants that have higher percentages. You can also have friends and family buy scrip through you and online to help during the year.

I hope this helps! I am always available to answer questions or help in any way and I will be holding scrip information meetings to help those who have questions! This program is supposed to be an easy way to help NDA earn money, not to be a source of stress! I hope to make it as easy as I can for all the families!

Thanks,

Paula Salinas
